

TEN80 STUDENT RACING CHALLENGE SPRING 2015 INVITATIONAL

Carrollton, TX * Sat., April 25, 2015

You are invited to compete or to cheer on America's future professionals at the Dallas Spring 2015 Invitational. Student teams have been accumulating points through a variety of activities including head-to-head races using a 1:10 scale electric car and science, math, engineering and math (STEM) projects that parallel the arduous preparation of motorsports professionals and emerging technology companies. On Saturday, April 25th, 2015 student teams from around the region are coming together to compete at the R.L. Turner High School.

Competition Categories

- Road Course Races: 5 minute fastest lap & 10 minute most laps
- Oval Superspeedway Race: 30 - 50 minutes (Schedule Dependent)
- MODS! Drag Racing (Time Permitting)
- Data-Driven Design Project
- Team Presentation 3 Minute Pitch
- Graphic Design: Team identity and Car Body Decal
- BONUS - 30 second elevator pitch (video upload by April 17, 2015)

Event Info

- Time: 9 AM - 1 PM
