

Ten80 Summer Professional Development Institute

Saratoga Springs, NY

August 2 – 4 for Hub Partners

August 3 – 4 for Educational Partners

Gather in Support of Students

Success in STEM education comes down to good programs and great partnerships. Change the Equation has named Ten80's programs both exemplary and scalable. Your partnership at the classroom, club and regional level is key to scaling the exemplary outcomes in student achievement that are possible through Ten80's Student STEM Challenges curriculum, National STEM League and Ten80's elementary programs.

At this Summer 2017 session, Ten80's team will facilitate interaction between educators starting new programs, those experienced in running Ten80 programs and new regional partners at the Associate and Hub Organizer levels.

Each day will begin with a general session, then depending on who is in attendance, breakout sessions will focus on implementing various aspects of the Student Racing Challenge, CompSci and Rover curriculum, including the integration of Enterprise and Innovation activities.

Registration & Fee

<https://www.ten80education.com/pd-registration>

Fee to attend is only \$100. Lunch provided each day.

Hub Partners

Fee for Hub Partners is waived. There are a few grants available for Ten80 Ambassadors that provide a stipend to help with travel costs. Learn more about partnership at [ten80education.com/partner-sponsor](https://www.ten80education.com/partner-sponsor) or email us at info@ten80education.com.

Saratoga Springs in the Summer

Join Ten80 and partners during the day and experience the resort town of Saratoga Springs at night. August is the center of activity at the exclusive Saratoga Race Course and at SPAC, summer home of the Philadelphia Orchestra. Visit the nearby Casino, hike in the Adirondacks, hit Saratoga Lake or one of the many spas that make up "Spa City".
